Hello Everyone,

As mentioned during the IRIS Kick-off meeting in February and every EPA-Wide IRIS Meeting since, we are planning to release the Systematic Review Protocol for the PFBA, PFHxA, PFHxS, PFNA, and PFDA IRIS Assessments for public comment in June. In preparation, we are providing the current draft of the document (attached here again) and have scheduled an EPA-wide briefing for May 30th at 3:00 PM Eastern (calendar invite below).

If as you read the protocol you see show-stoppers or red flags that you would like to bring to our attention, please contact Andrew Kraft<<mailto:Kraft.Andrew@EPA.Gov>>, IRIS Associate Director for Science and NCEA PFAS Lead. Please also copy Vicki Soto<<mailto:Soto.Vicki@epa.gov>> in your communications as Andrew may be out during part of this month.

Thank you for your interest and engagement,

Tina
